### OPENING

Have you ever eaten \*kiwifruit from New Zealand? I think we should have kiwifruit for the festival. I have three reasons.

### BODY

First, kiwifruit have an interesting history. Did you know kiwifruit originally came from China? They were brought to New Zealand in 1906.  
Now many kiwifruit are grown in New Zealand.

Second, everyone knows kiwifruit are very \*healthy. One green kiwifruit has 63mg of \*vitamin C. That's very high!

Third, I think we can make delicious kiwifruit dishes. For example, we can make \*cookies, juice, ice-cream, and \*jam.

### ENDING

So kiwifruit are interesting, healthy, and delicious. Let's have kiwifruit for the festival! Do you like my idea?
